

Jewish Federation OF GREATER HOUSTON

Checklist to Combat and Prevent Antisemitism

1. Education and Awareness:

- Implement educational programs to raise awareness about antisemitism.
- Conduct workshops and training sessions on diversity, inclusion, and combating hate speech.

2. Policy Development:

- Establish and enforce clear policies prohibiting discrimination and hate incidents.
- Ensure there are mechanisms in place to report antisemitic incidents.

3. Support Services:

- Provide mental health resources and counseling services for Jewish students.
- Create support networks for students experiencing discrimination.

4. Cultural Celebrations:

- Allocate resources for Jewish student groups to organize cultural and religious events.
- Celebrate Jewish holidays and promote cultural diversity on campus.

5. Interfaith Initiatives:

- Foster interfaith dialogue and collaboration among student groups.
- Organize events that promote understanding and respect for various faith traditions.

6. Community Partnerships:

- Collaborate with local Jewish organizations, synagogues, and community centers.
- Establish relationships with community leaders to address antisemitism collectively.

7. Incident Response:

- Monitor and document antisemitic incidents on campus.
- Develop a protocol for responding to and addressing such incidents promptly.

8. Safety Measures:

- Work with campus security and local law enforcement to ensure the safety of Jewish students.
- Conduct regular risk assessments and implement safety measures as needed.

By following this checklist and continuously emphasizing a culture of respect, inclusivity, and support, college administrations can effectively combat antisemitism and create a safer environment for all students on campus.
